STANDARD GUARANTEE ENDORSED BY THE AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

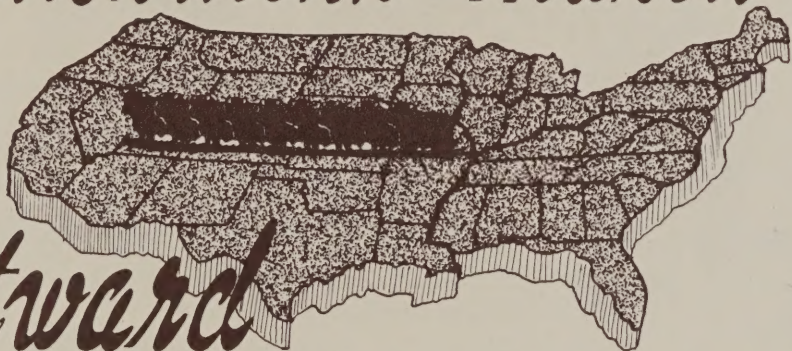

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

The Shorthorn March is Westward

Show Classifications

Show of Sale Cattle to be held in Stadium Arena, Sunday, January 13th,
1957 - 10:00 A.M.

JUDGE: Robert Collier, Fletcher, Oklahoma

BULLS:

Lots 6, 7, 8, 9, 10 and 11

CLASS 3 - Calved between April 1st and May 30, 1955
Lots 12, 13, 14, 15 and 16

CLASS 4 - Calved between June 1st and August 31, 1955
Lots 17, 18, 19, 20, 21 and 22

CLASS 5 - Calved between September 1st and December 31, 1955
Lots 23, 24, 25, and 26

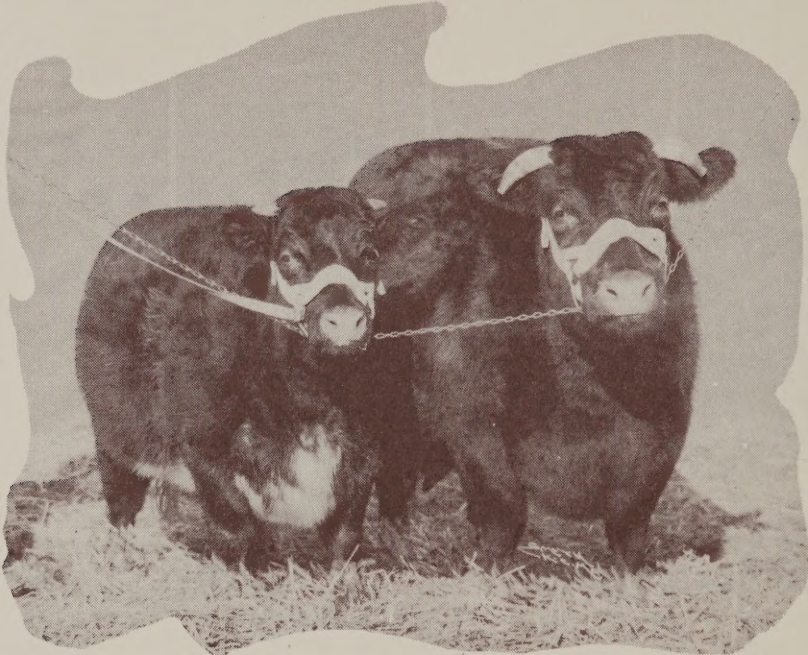

CLASS 6 - Calved after January 1, 1956
Lots 27, 28, and 29

GRAND CHAMPION BULL Ribbon
RESERVE CHAMPION BULL Ribbon

FEMALES:

Class 1 - Calves Prior to September 30, 1955
Lots 30 and 31

GRAND CHAMPION FEMALE Ribbon
RESERVE CHAMPION FEMALE Ribbon

Information For The Buyer

LOCATION: National Western Stock Show, Lamont Sale Pavilion, Stock Yards, Denver, Colorado.

MAIL BIDS: Those unable to be present who desire to take advantage of the buying opportunities in this sale may rest assured that mail or wire bids will be honestly and faithfully executed. Any of the following competent men will be happy to handle buying orders for you. They may be contacted at the addresses listed, or they can be reached in care of Shorthorn Exhibit, Denver, Colorado.
Representing AMERICAN SHORTHORN BREEDERS' ASSOCIATION.

Allan C. Atlason Clem Larson Ted Aegerter Ralph Heinemann
Representing THE SHORTHORN WORLD, 16 South Locust St., Aurora, Illinois.
Merv Aegerter

SHIPPING ARRANGEMENTS: It is the obligation of the consignors and this Association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for immediate shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition. **BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS WITH THE SALE CLERK.**

LIABILITY: Although every possible precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

TERMS: The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

INSURANCE: Coverage may be secured effective at the time of sale.

GUARANTEE: All animals sold in this sale will be backed by the Standard Guarantee endorsed by the American Shorthorn Breeders' Association, which is printed in this catalog.

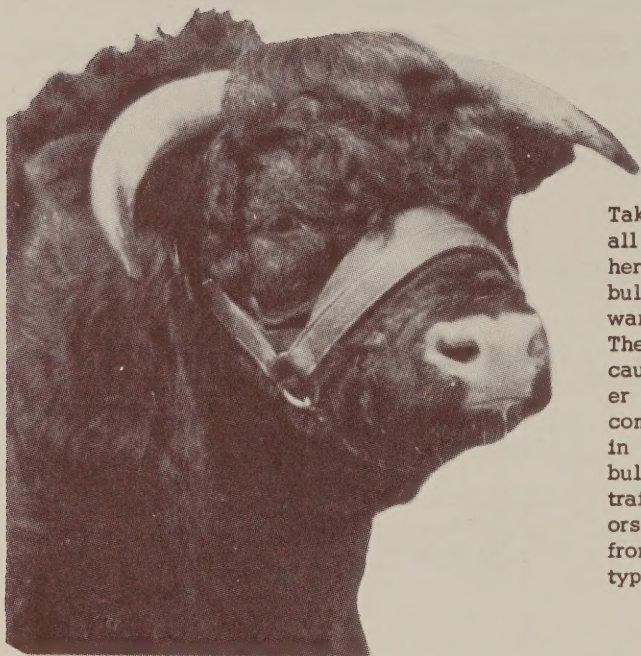

AUCTIONEERS: C. D. Swaffar, Tulsa, Oklahoma.

HOTEL HEADQUARTERS: Albany Hotel, Denver, Colorado. Write direct for reservations, mentioning this National Shorthorn Show and Sale.

Allan C. Atlason, Secretary
AMERICAN SHORTHORN BREEDERS'
ASSOCIATION
7 Dexter Park Avenue,
Chicago 9, Illinois

Nearly every Breeder can Use a Better Bull

Take a good look at your last crop of calves. Are they all you are seeking? Take a good look at your cow herd. Analyze their weak points. . . then select a bull showing strong characteristics in the direction you want to move toward improvement of your calves. The bulls offered in this sale have been selected because they have nearly everything the purebred breeder needs to improve his calf crop. They are the kind commercial cattlemen need to increase market weights in calves and yearlings. The most prepotent traits in bulls are weight, gains and feed efficiency . . . all traits in which the SHORTHORN has no equal. Consignors to this Sale have entered outstanding individuals from select show strings to give buyers the ultimate in type and quality.

1956 International Grand Champion Steer over all Breeds

P. S. TROUBADOR, fitted and shown by Pennsylvania State University, was made Grand Champion over all breeds at the 1956 International, in one of the strongest steer shows in the history of the Exposition. He was bred by Cyrus S. Eaton, Acadia Farms, Northfield, Ohio and purchased in dam by the Pennsylvania State University. He weighed 990 pounds and sold for \$20.50 per pound to the Greenbriar Hotel, White Sulphur Springs, W. Va. - and established an all-time record price for the Grand Champion at the International. The superior beef making-ability of Shorthorns was again emphasized in the steer classes at the International. The steers shown were a fitting testimonial to the breed's claim to greater weight for age and showed the tremendous progress made in eliminating coarseness and wastefulness.

COLOMEADOW CHOICE - Is the best bull we ever offered for sale. He was second in class at the 1956 National Western Show (the only time shown). He was used in pasture all summer, so is not highly fitted, yet he possesses a lot of red meat that is so necessary in our modern day beef cattle. He is a sure breeder. Photo was taken at the 1956 Denver Stock Show.

Grand Champion Shorthorn Bull

SCOTSDALE JUPITER, Senior and Grand Champion Shorthorn bull at the 1956 International Live-stock Show. He was bred and exhibited by S.G. Bennett of Georgetown, Ontario, and sired by Calrossie Perfect, that was the 1952 Perth Supreme Champion. Scotsdale Jupiter has been consistently winning and was a very popular champion. The picture speaks for the bull - he is good-headed, tremendously deep-bodied and thick, evenly balanced and with plenty of good quality bone.

SCHANER FREEBOOTER 2D - Is one of the good bulls to be sold this year. His mother is a top daughter of Edellyn Royal Leader 98th and a 3/4 sister to the Iowa Royal Champion in 1953 purchased by Josef Winkler for \$2,000. His sire is by the Winkler bull and out of a very good daughter of Klaymor Freebooter. Will use him on some of our late heifers.

GRAND CHAMPION CARLOAD FEEDER CALVES—Josef Winkler, Castle Rock, Colorado, for the eighth time in National Western Stock Show history won the feeder cattle Grand Championship, with 20 of the most uniform Shorthorn calves he has ever exhibited. 120 loads of steer and heifer calves and yearlings competed in 1955. While the Winkler calves were the most uniform this firm has ever shown, there was one quality that made them stand out over all other loads and that was "thickness". The judges just couldn't overlook the extra spread over the broad backs of these soggy, reds and roans that also seemed to carry more substance and uniform ruggedness and scale than other former Winkler champions. They sold for \$55.00 cwt., to Henry Steele, Montgomery, Ill., and averaged 503 pounds - as usual carrying a decided weight advantage over the other breed champions.

THE PUREBRED BREEDER IS THE TOOL MAKER OF THE BEEF INDUSTRY

The ultimate end of all beef cattle is, directly or indirectly, the market. Purebred breeders, commercial producers and cattle feeders are all interested in improvement in the breeding of cattle, since higher returns at the market naturally accrue to those who have done the best job of selecting better-bred cattle. The breeder of registered cattle plays the major role in improvement of beef type. He must conduct a conscientious and studied breeding program that will produce the type, conformation, thick and smooth fleshing and early maturity desired by the commercial cattleman.

The Shorthorn is a beef factory without equal, that is built for better beef at maximum efficiency, and the present-day purebred breeder is making blue-prints for even greater improvements in his output for years to come.

These uniform "blocks of beef" represent the proof of Shorthorn performance in beef production. The credit for bringing them to this uniform carlot finish goes to Fred Weber & Son, Geneseo, Illinois, who made up the load from calves purchased from the good herd of Jacob Ulrich, Luray, Kansas. Mr. Ulrich has followed the practice of using top Shorthorn bulls - and here again is proof that it pays.
